Portable Mounting Ramp

The Tucker Project Inc.
16134 I Street
Greensburg, KS 67054
620-723-2714

The platform base is adjustable between 28 and 32 inches above the ground surface.
There are NO hand or safety rails on the working "horse" side of the Portable Mounting Ramp.
The platform will be mounted on a two wheel 1000 pound G.V.W. Trailer.
The base platform when properly set up has a 750 pound rating.
All fabrication material is steel.
The three platforms are 100% glued, and covered with outdoor carpet.
The trailer has running lights, turn signal lights and a 1 7/8" ball receiver.
Total weight of trailer and Portable Mounting Ramp is 650 pounds.
Purchaser agrees to hold blameless The Tucker Project Inc. from any and all liability resulting in injury from the use of this Portable Mounting Ramp.

The price of a Portable Mounting Ramp is \$2750.00 F.O.B. Greensburg, KS 67054
Delivery price is \$0.95 per mile one way with a possible one month waiting period and a deposit of \$1500.00.
We just bought a new bed for the guest bedroom, you can stay overnight at our house for free and take it home yourself.
